

REMARKS

Favorable reconsideration and allowance of the present application are respectfully requested in view of the following remarks. Claims 1-57 were pending prior to the Office Action.

A. FORM 1449 ACKNOWLEDGMENT REQUESTED

It is noted that Applicants have not yet received an initialed copy of the PTO-1449 filed April 13, 2009 for the present application. Applicants respectfully request that such form be provided.

B. PATENTABILITY OF THE CLAIMS

In the Office Action, the Examiner indicates that all claims are allowable with the exception of claims 24 and 25, which are rejected under 35 U.S.C. §101 as allegedly being directed to non-statutory subject matter. In this Amendment, the rejected claims are canceled without prejudice or disclaimer. Therefore, the Application – in which claims 1-23 and 26-57 are pending – is now in condition for allowance.

Applicants respectfully request that the Application be allowed.

C. CONCLUSION

All objections and rejections raised in the Office Action having been addressed, it is respectfully submitted that the present application is in

condition for allowance. Should there be any outstanding matters that need to be resolved, the Examiner is respectfully requested to contact Hyung Sohn (Reg. No. 44,346), to conduct an interview in an effort to expedite prosecution in connection with the present application.

Pursuant to 37 C.F.R. §§ 1.17 and 1.136(a), Applicants respectfully petition for a two (2) month extension of time for filing a reply in connection with the present application, and the required fee is attached hereto.

The Commissioner is authorized to charge the undersigned's deposit account #14-1140 in whatever amount is necessary for entry of these papers and the continued pendency of the captioned application.

Respectfully submitted,

NIXON & VANDERHYE P.C.
